

Home visits for canine veterinary physiotherapy in Nottinghamshire, Leicestershire and Derbyshire

Location **East Midlands, Nottinghamshire**
<https://www.freeadsz.co.uk/x-458621-z>

Veterinary physiotherapy aims to reduce pain, optimize tissue healing, restore movement, improve gait, improve muscle strength and tone, and improve function. It is an ideal form of treatment to be used alongside veterinary medicine to rehabilitate and condition dogs. Each veterinary physiotherapy program will be tailored to the individual to achieve the best possible outcome.

If you think your pet would benefit from physiotherapy, please contact me!
