Featuring a zip away backpack harness the Meridian excels where wheels won't go. The foundation relies on our unique injection molded HighRoad™ chassis, consisting of an ABS polymer plastic for durability and using polyurethane wheels that eat tarmac for breakfast. For comfort and control, a retractable ErgoGrip™ handle ensures that wherever you go, your bag will follow. Inside the bag you will discover a multitude of organisation options; including a liquid/accessory pocket that is compatible with the Osprey Wash Bag Cassette and dual mesh pockets to separate dirty clothes and shoes. The internal compression straps allow you to fully maximise capacity whilst securing your clothes and limiting creases. To ensure you and

your bag aren't separated for long, we've included a built-in retractable ID Card holder. Complete with a padded laptop sleeve scratch-free sunglasses and electronics pocket safely stored away. What are you waiting for? Take on the pressure of the present with the Meridian Osprey.
