Yee ha! We are hosting a fantastic Country Dance to raise money for Oasis Down to Earth Farm, so grab your cowboy boots and some double denim, and dance the night away to the sounds of the incredible band that is The Paper Trains. There will be a delicious hog roast, refreshments, fundraising games, prizes for best fancy dress costume, raffle, silent auction and a jail photo booth! This will be a great event for the kids, parents and the grandparents. All funds raised help the farm continue its incredible community work which includes an adult learning disability programme, educational days for schools, corporate volunteering days, children's birthday parties and so much more. Let your hair down and enjoy a night of dancing to funky Americana music (no line dancing or call here!). Tickets are £10 per person and includes Hog Roast and welcome drink. Event starts at 7:30pm and finishes at 11pm. It is being held at Oasis Academy Lordshill, Romsey Road,.
