This laptop is great for the MacBook users. It is a fairly old one but for its age it is in great condition! It does everything you need. It has 3gb of ram and 160gb of data. 2.33ghz, HDD, MA610BA. It is a 15inch so perfect for work and home. It is a A1211 2006 model. It does have a couple of tiny dents (on the corners) but they are not noticeable. It also has a working dvd slot and will come factory new in settings, complete with charger. A perfect Christmas or Birthday present. Bought as refurbished with 6 month warranty, purchased on 3/9/2016 so remaining warranty valid until 3/3.
