First of all, being ex-demo this van comes with incredibly low mileage as well as a full service history completed by us here at Guestâ€™s. This particular model also benefits from a number of other noteworthy features such as; side loading door, full size spare wheel and an interior lining package that is untouched! Finally, this vehicle will be sold with a carry out service and a balance of the manufacturers warranty until 25/09/17.â€•, Alan Phillips â€" Used Sales Manager (Guest Truck & Van), LOCATION, This vehicle is located just 3 minutes from junction 3 of the M6. Head up past the Ricoh Arena along the A444 towards Holbrooks. Turn right at the Phoenix way roundabout and continue down Holbrook way. Our dealership will appear on your left hand side as you approach next roundabout. Pass over this roundabout and make your first.
