I have 2 of these for sale and this one was mine.

The screen is in perfect condition, the edges and lower back have some small usage marks.

It has its original box with charger, headphones with spare covers, OTG cable, spare used battery, rubber tip stylus pen, used phone covers, 2 new packs of screen protectors and a USB cradle with line out and charging sockets.

It will come with an 8GB micro SD card for those all important photos.

I will factory reset it so it will be as.
