There's No Business Model Like Us In The Whole Country, We Do Things In A Traditional Style But At A Much Better Price. No More High Lawyers Fees, Just Simple Inexpensive Justice For All. Did you know that a Solicitor could cost to undertake your divorce (charging hourly rate): between £2,000-£3,000 for a negotiated financial settlement, of up to £30,000 plus VAT or more for a financial application that goes all the way to a contested final court hearing. Costs will depend on whether you are trying to decide on care and support for your children, sort out your finances, or both. It will also depend on how much you and your ex-partner can agree between you and the complexity of your circumstances. At Grayson's Legal for a non-contested Divorce, with no court hearing, costs from as little as £250 for your legal fee's !!!!! PLUS - If you are also on benefits or on a low income you could also be eligible for a reduced court fee or no court fee to pay at all. So let this stressful process be handled by the professionals!! We also deal with, Child Contact, Non Molestation applications, People Tracing, Employment Law, Civil Law, Criminal Law all amongst some of our teams specialities. Contact us for further information on either of our offices: Rochester 01634 730302 London 0207 112 4865 Essex 01702 680443 Email us at www.mckenzie-friend4you.com Please share this post as you could help someone!
