No offers. £450 Fully housetrained, learning commands wells. Fully vaccinated, wormed & flead. Loves to play with toys. I paid £900, Price is low as one of my chihuahuas doesn't get on with her which is making my chihuahuas health condition worse. So this is a sad sale to be honest. She is KC papered and microchipped. I will be vetting her new home as I want to make sure she is going to a good pet owner/home. She will come with harness, lead & toys and food.
