

Roller Team Pegaso (61,819 GBP)

Location **South West, Dorset**
<https://www.freeadsz.co.uk/x-460019-z>

PEGASO The Pegaso 740 is a high spec A-Class 4-berth motorhome featuring a luxurious height-adjustable rear island bed. Uses a Fiat Ducato 2.3-litre 130bhp MultiJet engine, with an option for the 150bhp version. Driving aids ESP and Traction+ come as standard. There's a 95Ah AGM leisure battery, electrically operated and heated mirrors, cab air-con, cruise control, TomTom sat nav, colour reversing camera and 16in alloys. Up on the roof you get a 120W solar panel while in the kitchen there's a three burner, gas hob, an oven and grill. The three-way fridge/freezer has a large 150-litre capacity. Water capacity is 120-litre for fresh and 110-litres for waste. For heating you get the 6000W combined gas heating with CP Plus. The lounge area features an L-shaped dinette with two extra seatbelts, and there is an electric drop-down bed over the cab.
