Silver, 2 owners, The KTM 990 SMT is a new take on the adventure bike theme that manages to combine all the mental fun of a supermoto with the comfort, practicality and ability to cover miles of an adventure bike. KTM has taken the 990 Supermoto WP suspension but modified the internals of the forks to take out some travel so the SMT is a bit more composed on the road. This is far from the most powerful V-twin on the planet but it does have more than enough grunt to turn the KTM SMT into a rapid bit of kit. This one comes with Quill sports silencers, Oxford heated grips, R&G crash protectors, top box, hanguards and Scottoiler. The North Westâ€™s finest family run motorcycle dealership, £4,950 p/x considered
