

# Competency Framework Examples UK

Location **North, Lancashire**  
<https://www.freeadsz.co.uk/x-460196-z>

The competency framework design is a hugely valuable tool, creating a shared understanding of desired behaviours. But these mistakes can scupper its success.

I've worked with many organisations designing competency, strengths or values frameworks. And this often involves helping them to steer clear of these mistakes. To ensure the resulting framework has a real impact across all areas of their business.
