Selling my Red and Black 2010 CBF125 as I have recently passed big bike test. I've had the bike for a year and it's always been reliable, easy rider and always starts first time with just 7730 on the clock. Service history with a new chain and sprocket September 2015. Great, fun bike to ride, and was perfect for learning and commuting. Trickle charger access plug fitted. A few scuff marks on the exhaust and wing mirrors but never dropped. Wheels have a little paint wear and slight surface rust on casing by right peg. Very short 1.5 inch scratch on the fairing. All small cosmetic issues but want to be honest, otherwise in great condition. All docs and spare key included. MOT to August 2017. £1600 ONO;
