

SINGLE OTTOMAN STORAGE BED GAS LIFT (40 GBP)

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-460419-z>

A SINGLE OTTOMAN GAS LIFT STORAGE BED. With integral headboard and slatted suspension to give extra comfort. Brown faux leather, loads of useful storage space. Reason for SALE we have subsequently bought other furniture and the bed will now not fit in. It is due to the headboard being wider than the normal 36 inch base. The headboard is 41.5 inch (105cm) wide. it has never been used!! It was bought from a major eBay seller as a home assembly kit, it took 4 hours to put together, so the buyer will avoid that job, however it will need a small van or a people carrier to get it home. it was bought as a 'no mattress' option, similar items in kit form cost from £79, so grab a BARGAIN. ;
