This pedestal washbasin is in very good condition with no surface damage at all, having been part of an ensuite bathroom that is attached to a guest bedroom that has had only occasional use. The taps on the washbasin are in good working order. We are replacing only because the bathroom is being totally refurbished as a shower room. All items will be removed and will be available for collection on or after Thursday 10th November. Please see separate listings for toilet, bidet, bath and.
