For sale, my much loved Jaguar XJ8, genuine reluctant sale as need larger estate with 7 seats. Usual Jaguar refinements plus factory upgraded sound and touch screen Sat Nav, electric memory front seats and motorised rear blind, front and rear parking sensors, 18" alloys, I have owned for 4yrs and car has performed reliably and surprisingly economically giving 30+mpg on a run without really trying ie at fast motorway speeds or normal A road driving, ok so you are only going to see 20mpg around town but even thats not bad for a 264bhp 3.
