My funeral tributes are very competitively priced and I offer a sympathetic service and will do my very best to help with all your needs. As I work from home I have no over head costs which makes me quite a bit cheaper than your high street florist. I can make anything you require from the basic wreaths and tributes to something completely bespoke and personal to you and someone you have lost. I also do cold catering so if you are in need of some food at the wake I can help with this too. The areas I cover are Redhill, Reigate, Horley, Dorking, Crawley and surrounding areas. Please do not hesitate to contact or email.
