Purple Sky Events are proud to offer you a unique opportunity to attend a special evening workshop with Philip Permutt The Crystal Healer. Philip recently appeared on ITV's This Morning show.

<http://www.itv.com/thismorning/hot-topics/celebrity-crystal-craze> Crystals and Chakras: A Journey of Rainbow Healing - Discover your chakras as you've never seen them before! A Rainbow Journey of self discovery and healing through your energy system. Find out why you react in certain ways, uncover your energy weaknesses and release powerful strengths that you can use to maximise your natural talents and abilities. Working with crystals to energise and activate your energy hot spots, your chakras - you will unearth a whole new re-energised you! Working with crystals and colour vibrations to focus and enhance your personal understanding of the Chakra System and your own healing. We'll investigate the health of each of your chakras and discover how to balance each chakra for a healthy life. Understand the science behind the chakras and how the chakra system is a perfect example of some of the principles of quantum physics. This certificated workshop will also include: A chakra crystal set with £35 ticket or a larger chakra crystal set and free signed pocket guide to crystals with £50 VIP ticket. You will also have chance to purchase some specially selected crystals from Philips beautiful stock of crystals. Also a renowned author, Philip will also have a selection of his crystal books and CD's available to purchase. Doors open at 7pm for 7.30 start. Workshop ends at 10.30pm. An interval buffet is included and refreshments are available before and after the workshop. To be held in the Sports Centre Studio of Chessington Community College, Garrison Lane, Chessington KT9 2JS.
