- Vaccine, flea, worm up to date.
- Champion line, miniature, short nose, teddy bear face, supper fluffy, rare color.

He is playful and has gentle manner& temperament, so he's good with kids. Love to follow you around the house and being belly rubbed. Minimum barking even being left alone. Very friendly with other dogs. I bought him for 2,800 GBP about 2 months ago. Now I sell him at this discount price as my work location has changed, and I can not bring him with me.
