My name is Jeroen van Neijhof. I am Dutch, and have been living in Scotland for 3 years now. I have been a professional artist for the past 12,5 years, with great success in many mediums. You can see the quality of my works, in this attached photographs. I offer classes in all those mediums. Right here at my home/studio in Dundee city center. They're not courses, but per hour. So you're not obliged to any set days/times. You just pay as you go, as long or short as you desire. Times/days are flexible. When i am not teaching i am working on my own art, so it's very flexible. Cost is 12,50gbp an hour, all-in. I am available weekdays from 9am to 9pm, so also evenings. Mediums i master/teach in: - Acrylics.

- Airbrush.
- Paper Sculptures.
- Digital art.
- How to market your art to get sufficient sales.
- Website and webshop building.
