BMW 530D estate, Rare manual gearbox, 235 bhp, sat nav, climate control, auto xenon lights, auto wipers, factory fitted bluetooth phone kit, parking sensors, multi cd player, hill start assist, black cloth interior, very good condition inside & out, good tyres all round, regularly serviced by myself. This is a fast, economical and refined, top of the range vehicle which has been very reliable for the 3 years I have owned it. It has 149500 miles on it but these engines are good for 250000 miles or more. Sadly it has to go as I have now bought a newer X3 3.0D. (I am a confirmed BMW 3.0D fan!) Photos sent on request. Priced to sell at £3990 o.n.
