Only 2 Left Boy/Girl Hi we have 4 Adorable Kittens left 2 girls and 2 boy both have impeccable Bengal markings striped and Rosetta spots on tummy, but a much a much milder temperament. They are nearly weeks old, so will be ready to take away. They are fully weaned and litter trained. They have been vet checked and wormed The Kittens are at ease with children as we have three children from ages 5 – 9years and also a dog our Girl , she has beautiful stripes. She likes to snuggle in your arms and yearns lots of love from hopefully she will find the right loving home. We also have one Male

Boy, the kids have named him Prince need I say why he gives off a great presence and is very confident in what he wants. He has lovely big paws, walks around the house like a king. We are asking £200 deposit to hold each of the kittens, we may deny owner if not suitable without prejudice. We really want these beautiful souls to go to loving homes as they will be a great addition to any family (mum can be seen) Kittens Come with Starter pack

100g Kitten Food, There special toy, Cat litter and given there set routine meals plan etc. Hope this helps any more info don't hesitate to call , I work, most days so texting or email would be best ways to ask questions or arrange viewing
