REDUCED TO CLEAR - sensible offers considered Vintage 1930's/1940's sideboard - good condition
This is a lovely, solid wood 1950's sideboard with dovetail joints and original metal handles. Painted in cream and grey there is pretty carved detailing to the back, the middle drawer and the centre section between the two cupboard doors. The cupboard section is roomy and has a shelf running through the middle. Drawers all pull out smoothly. The condition of the sideboard is good but there may be the odd imperfection here and there as you would expect from a piece of this age. H 90 cm W 125 cm D 46 cm I would like this to clear so grab yourself a bargain Please feel free to ask any questions. ;
