

Hi Everyone My name is Lola i am a 15.2hh Morgan Horse mare who is looking for a very loving person to come and play with me 2 days a week. Im based in Warninglid NEAR (Plummers Plain, Horsham)(Handcross, Crawley), with an indoor and outdoor school, indoor barns, tea room, private tackroom and feed rooms, child and pet friendly, full sets of jumps including XC field, great hacking! My mummy Sophie loves me to absolute bits and treats me like a princess so she is looking for my new friend to be just like her someone who will take time into loving me and looking after all my stuff like making my bed all neat and tidy for me and riding me in the indoor school flat work and poles (without jumping me until you are 100% confident) i love my job i am very very very well trained i jump 1m40+ with ease so i need a confident rider, i love my flat work mummy enjoys dressage with me i dont enjoy it that much i get bored but i will do it i am trained up to a high level and can do more than you think. I love hacking i will hack in groups or alone i'm actually at my easiest out hacking me and mummy chat about everything she will usually tell me about her day and what she has been up to she always plays music out loud for us and she sings (shes rubbish) but it chills me out the music. My favorite thing to do is stand and be groomed i will do that for hours, i have a very long tail and mane they are mummy's pride and joy so they are brushed through everyday. i am looking for a friend over 16 preferably unless you are very confident as i am very strong as i know what i'm doing. I want someone who will bring me carrots when they come and spend time with me and treats and love me as i am a stress head.

----- Lola is my pride and joy so someone confident who has shared before or been around horses before NO FIRST TIMERS - NO BEGINNERS - NO JOY RIDERS - NO TIMEWASTERS. OVER 16 PLEASE unless you are confident and have proof you are used to larger

stronger horses and have experience. I will watch you ride when you come and try her as I want someone who knows about the horse and riders her level. If you are not sure, I will say yes, it is not my horse, I just do not want you on my horse, I am insured. Even if you share her, I will agree to do your own third party insurance with you must have your own and get a contract with me, I will hold you up and I will stand for you, parents will be over 18 and the yard owner will be self. Find me on Facebook. Please call me or text me if you feel you are right for my horse and would like to try her! 07592409325
