construction projects, including new build, kitchen and bathroom refurbishments, house extensions, loft conversions and provide the best possible construction service with strong leadership and focus on our clients wishes delivering the project on time and within budget.

All of our building services are fully project managed, insured, guaranteed, and are carried out by friendly and helpful workmen.

Loft Conversions and Extensions

We help you add extra space to your house and also increase the value of your property.

We manage the entire project from the planning stage to the finishing stage including dealing with the council, submitting the planning application, architect's drawing, building control, structural engineer and all the other aspects involved in the process along with finishing the the job to a very high standard.

Work in Occupied Premises

Refurbishment projects regularly involve a part of an existing building where the rest of the building continues to be used. Such projects require a high level of sensitivity in Handling the project and we work in very close liaison with the client to ensure that all measures are in place to ensure the safety of the occupants and the maintenance of environmental standards throughout.

House/flat refurbishment

We can totally transform your property and renovate it from top to bottom. That with an eye to quality and cost. We run to deliver a team of skilled trades, including and decorating, and refurbishment. We have the resources to carry out big jobs and small jobs even on a tight budget. We take all measures to ensure that the work is done to the highest standards and the minimum disruption to the occupants of the property.

Internal and external painting and decorating

Every job we carry out, big or small is done with plenty of attention to detail and our professionals will obtain an immaculate finishing with the minimum disruption to our customer and at a competitive cost.

Bathroom/Kitchen fitting

Toilet and Kitchen Refurbishment has increasingly become one of our main areas of work. The range of
