NEW for 2016 - Lola Brows are a semi-permanent solution to your brow troubles. Using a new application technique with a pigment and adhesive we can make brows appear thicker, add more depth and definition and fill in gaps. Natural looking with varying shades to suit your individual needs this is the next generation of brow treatments so you don't have to go as far as micro-blading or tattooing. Pain free and lasting 3 weeks this is a perfect treatment for all ages - from overplucked brows of the 80's and 90's to the big, beautiful brows that are bang on trend, why not try our new treatment!!
