About Us

How best to describe Anytime? We're a bit like the tip of an iceberg. We offer you a simple and easy to use online portal to the world of contracting, yet beneath the surface there lays a massive infrastructure designed with only one thing in mind – to support our client's contracting activities. Owned and operated by Anderson Group, a highly respected and trusted brand in the contracting industry, currently dealing with tens of thousands of contractors and employing hundreds of staff world-wide. We also work with more than 200 recruitment agencies who entrust us to ensure that their contractors are dealt with in a fair, efficient and friendly manner. Website: <http://www.anytime.uk/>
