This super box set of 48 dvd's has all 7 seasons of the next generation included in it. It is in very good condition having been used only once. It was produced by the Paramount picture company & it works out at around 40 pence per dvd. an absolute bargain for the price, & many hours of viewing pleasure. There are no dvd's missing out of it as shown in main picture, & they all work perfect. Overall they are all in as new.
