

STEP LADDER (20 GBP)

Location

South East, West Sussex<https://www.freeadsz.co.uk/x-461829-z>

Youngmans 5 step STEP LADDER The Atlas step ladder is for light trade use and domestic applications. It's manufactured to be lightweight, but very robust with deep treads and a solid platform. The Atlas step ladder is foldable for ease of handling and storage and comes with safety straps. The treads on the Atlas step ladder are designed with grooved grips which provide safe use when used in accordance with health & safety guidelines. The Atlas step ladder is great for those jobs that prove difficult to reach and is used by general tradesman and DIY.
