Bilingual 23-year-old student in Bolton center offers any level practice conversational classes in Spanish. Aside from having a Spanish father I have lived most of my life in Spain, so my Spanish is 100% fluent and natural. We can spend an hour (or more!) chatting in Spanish. The classes take place in my own home over a cup of tea or coffee, or at a local coffee shop, whatever suits you best.

£10/Hour

For groups of 2 or more people £7.50/hour per person.
