St Minver Holiday Park is a beautiful woodland park situated in North Cornwall, Cornwall's best hidden secret. You have 3 stunning beaches of Rock, Daymer Bay and Polzeath at your disposal, all within a few miles of the park. Not only this, you have beautiful places like Padstow (plenty of Rick Stein's restaurants), Port Issac (famous for the popular TV show, Doc Martin) and Wadebridge (Camel trail bike ride)

The park itself offers a wide range of facilities for all the family. We have a lovely heated indoor swimming pool with a toddler zone, sauna, owners only swimming sessions and daily activities. The Manor house is our main complex where you can relax and enjoy a mouth watering meal from our restaurant, play bingo and watch live evening entertainment in our air conditioned show bar. The kids can take part with all the party dances and games with Sid and Lizzy or even burn off some energy in our adventure play area, crazy golf course and indoor soft play area. There's so much to do here at St Minver, you will never want to.
