

JVC Micro Component MD System (30 GBP)

Location **South East, Kent**

A minidisc player, CD player and radio in perfect working order, not used a lot, includes remote and 8 blank mini discs. This model has a fascinating change of colour to the control panel when in use. There are some very small scratches on the top surface (not the speakers) and a slight dent as shown on the photo, on the top edge of the left speaker. This is tiny and hardly noticeable.;
