Stunning Audi A3 sportback, very good condition inside out, been very well looked after, and is in very clean condition for age. It's the 1.9 105bhp Diesel engine with 5 speed manual gearbox, starts and drives spot on, pulls through all the gears smoothly. Four good tyres, brakes all good all round, No knocks, bangs or rattles. Clean cloth interior, with cd changer, cruise control, ice cold air con and the usual electrics i.e. Mirrors and windows. Audi main dealer service history up to 100k the independent afterwards. Only 2 previous owners, one being a hire company, so was very well maintained, which I have printout of all work done. Long mot til June 2017. Brilliant on fuel being the 105bhp model, cruises along nicely, perfect family car with five doors and decent size boot. Later looking Audi with the smarter front end. Overall a cracking car, ready to go to its new home;
