Location **South East, Oxfordshire**  
<https://www.freeadsz.co.uk/x-462495-z>

<http://www.strictlybedsandbunks.co.uk/3ft-single-everest-3ft-single-heavy-duty-solid-pine-high-bunk-bed-426> HEAVY DUTY solid pine bunk beds and 2 x 3ft Memory Foam layered mattresses. Each bunk has a strong centre rail for added support. Manufactured using sustained, solid scandinavian pine wood. The siderails are strengthend to take additional weight, the bunk bed has been tested to take two adults to a max weight of 18 stone (114kg) each . To enable maxium strength the beds do not seperate, this makes for very sturdy bunkbed. The base consists of solid timber slats. The ladder steps are flat, these are easier on the feet. This bed is manufactured to British Standard EN747: 2012 Part 1&2 . External Dimensions: W98cm L202cm H179cm \*The user sleeps inside the bed so deduct approx 25cm off total height for sleeping height\* Gap between both bunks (excluding mattress): 108cm Clearance Height Under Bed: 29.5cm Bed Accepts a Mattress Size: 90cm by 190cm Maxium Depth of mattress: 20cm Price is for a frame only, if you want a Mattress - Select "Extras" for the.
