3-2-1 sofas they have some tear and wear from the years i have them, but still very comfy and it will be a shame to throw them to the rubbish. If you want them to look better you can buy the leather tint online. They are BIG AND HEAVY you will need two persons to take them to the van. The three setter is very big so you will need to take off one arm to be able to take it out of my living room , but is very easy to put it back. please no time wasters the have to go asap. I am in Dagenham rm8 2fr. thank you
