BMW have once again raised the Super Sport bar producing something totally unprecedented!! The new 2015 S1000RR is with out doubt the most sophisticated bike on the market sporting a whole host of rider aids and upgrade packages. Although the power is all there as well at a staggering 199bhp and blisteringly fast, the new S1000RR comes in to its own with its incredible electronics giving the rider total confidence. The BMW S1000RR has mind blowing WOW factor and this beautifully kept example is just that, it comes with BMW upgraded sports pack ( electronic suspension, cruise control and auto blip). The bike also comes with Dynamic Traction Control, Quick shifter, heated grips, bucket load of power modes and a whole load of digital wizardry. Basically if you are looking for top notch sophistication a long with mind blowing power and a good pinch of Pizzazz and style then come and take a look at this stunning all black 2015 S1000RR super sport, it is just breath taking. This BMW will also comes with the remainder of its manufactures warranty, full HPI check, full documentation, two keys, Full annual service and.
