Red, 2 owners, This Sprint comes with 3 box luggage and genuine triumph heated grips. the bike is in great condition and has been very well looked after. Take Triumph's superb Sprint ST (Sport Touring) and make it more adept at touring and also pillion friendly and what do you end up with? A Triumph Sprint GT (Grand Touring), that's what. Sounds easy enough but in practice Triumph had to revise the Sprint's chassis in a major way. So with a longer swingarm and steel subframe the GT becomes uber-stable when decked out with 117 litres of luggage, a pillion and 20 litres of juice. It goes further than that, though. Lower seat height, a wider, more comfortable pillion seat, built in grab rails on the topbox mounts and revised footpeg positions? and more. Does it all work, though? Yes, it does. It is comfy for pillion and rider good enough for Triumph's claimed 200 miles between fuel stops the engine is flexible and grunty, steering is agile but stable and it can carry a week's worth of clothing with ease, Plus 60 pounds documentation fee, Bill Smith Motors Celebrating over 50 years in Business! £6,599 p/x
