Samsung Galaxy Tab 4 7-inch Tablet (White) - (Quad Core 1.2GHz, 1.5GB RAM, 8GB Storage, Wi-Fi, Bluetooth, 2x Camera, Android 4.4) Used 3 times. But have now upgraded to a new one. In excellent condition and from a smoke free and pet free home, No box or charger they were lost when my garage was cleared .. But tablet is working excellently, no scratches or marks or dirt, BUT has a Tiny dent on the LEFT hand side of the tablet which was there when i bought it Does not detract from the use or the look of the tablet . Collection ONLY LANCING
