bastutraskvagen-104-538701 MINE IS 4 TIMES BIGGER AND TWICE THE GARDEN AREA Selling house and land in Sweden in Storsund, small village in the county of Norrbotten, 35km from Alvsbyn and 70km from Pitea. 200 sqm on two levels and a basement, two bedrooms, two kitchen, a huge living room, a bathroom, and 4 loft spaces with possibility of loft conversion for closets and baby rooms, basement with two boilers, one for the house heating and one for water heating. Everything is electrical, no gas appliances. Windows are three panes of glass for optimal insulation. Huge 5100 sqm garden with one garage, one shed and a dog house. Lots of trees in the property and delineating the perimeter of the property. Two lakes one in front and one in the back of the house, with free wood sauna all year round at the edge of the lake. Village surrounded by birch and fir forests. Skying place on Alvsbyn. In the summer the temperatures are between 15 and 25 Celsius and the sun is out 24 hours a day, in the winter the northern lights can be easily seen.

Cleaning and minor DIY repairs Here is a video of a small part of Storsund area https://youtu.be/aGU2iqV8wBo and a video of a walk through the house https://youtu.be/UI96e13N9SQ This much loved house will suit people who love Forest
