

Dulux Trade Quick Dry Undercoat 5L White - Cash On Collection Only (25 GBP)

Location London, London https://www.freeadsz.co.uk/x-463137-z

Dulux Trade Quick Dry undercoat is part 1 of an advanced 2 part water-based, high gloss system, with excellent opacity and coverage. It is specifically designed to provide the best top coat finish with Dulux Trade Quick Dry Gloss, but can be used on all interior wood and metal. With the aesthetic properties of a solvent based as well as the added benefits of quicker re-coat times and enhanced durability, it has never been so easy to switch to water based.
