I have 4 gorgeous white Kittens for sale. They are 10 weeks old now and ready now for their new homes. Lovely personalities, very playful, great with children. 1 girl, 1 boy pure white with tiny Grey spots on head £150 each 2 boys (white with tabby markings) £120 each. See pictures. Due to the high demand of kittens right now because of the season, unfortunately I am unable to reserve them sorry. Also white kittens are extremely rare. They have had flea stronghold spot on treatment and panacur worming paste. (have the stuff available to show buyer) They are litter trained & eat well. Want to make sure they get good forever homes. If u are interested you can call me. thanks x 07765516514 077655165...(click to reveal full phone)
