Fantastic litter of labrador X saluki puppies that are ready for their new forever homes after 15th November. Puppies are very well socialised, used to household noises and have been brought up with children, as you can see from the photos they are lovely solid / chunky puppies and favour their mother (labrador) in looks. Both mum and dad have fantastic temperaments and mum is here with her puppies for you to see. Puppies are solid black / black with white chest / cream / gold Both dogs and bitches available, puppies will be microchipped and have been wormed up to date with Panacur. Please call / text any time for further.
