

Monster 2013 (70 GBP)

Location **East Midlands, Nottinghamshire**
<https://www.freeadsz.co.uk/x-465663-z>

This is a beautiful ducati monster that I have no time for right now. 650 miles on clock. This bike was very expensive due to it being made smaller in the factory. Currently fits person of 5'2" both feet flat also half the weight of a standard ducati making it far faster. Reluctant sale but she needs to be used;
