

USED 3-PIECE WHITE BATHROOM SUITE WITH OVERBATH SHOWER (150 GBP)

Location **West Midlands, Staffordshire**
<https://www.freeadsz.co.uk/x-465957-z>

I am selling this used 3-piece white bathroom suite plus over bath shower unit and riser bar for my brother. He has recently bought a house at auction which has a very tiny bathroom with a sloping roof. As he is very tall there is not enough height for him to stand up in the bath to shower, so we have had to remove the suite and he will have to have a new bathroom with free standing shower and no bath!

The suite is in very good used condition with just one or 2 small marks where the silicone has been removed which will disappear once re-sealed. There is a label which says 2014 on the bath, so I do not think the suite has been in very long and has not had a lot of use as the house has been empty for a while and the bathroom looked as if it had not long been renewed.

The suite comprises bath, toilet and sink plus the shower unit and riser bar and taps on the sink and shower tap on the bath.

The bath measures 66.5" long
