Join us on this three week Community Learning Christmas Sewing course where you will be able to make something wonderful for the festive season. If you have a festive pattern for something that you would like to make please bring this along (easy to medium ability, this is to allow time to make the piece) with the correct amount of fabric and thread, please bring along pins. If you do not have a pattern please bring with you approximately a metre of cotton/cotton weight fabric, or recycle some you already have, please bring thread and some pins. Your tutor will have Christmas projects for you to choose from. Your tutor will be able to discuss other materials that you need to bring to the other sessions should you wish to. To join this popular course, which is due to start on Monday, 28th November 2016, 6:30-8:00pm, for 3 weeks please contact Sue Green on the details provided here. ;
