Location **North, Tyne And Wear**

Come and experience the joy of singing like no one is listening! Tuneless Choirs are for those you have been told, or who believe, they are tuneless. We sing lots of toe tapping popular rock songs, and even if we sing the 'wrong' notes they're the right notes! There are no auditions - just bring yourself, bring a friend, bring two friends! We don't try to teach you to sing better or force you to sing a particular part - we just sing songs in unison and laugh when it's awful. It's a warm and friendly group and we are growing all the time. The next session is Saturday 26th November starting 2pm - 3.30pm at Church of St Thomas the Martyr, Haymarket, Newcastle upon Tyne, NE1 7PF (Close to Haymarket Metro, the bus station, and Eldon Square car park.)

Newbies pay £10 for their first time to cover the cost of registration, a 'starter' lyrics folder, and refreshments and £7 for Pay-as-you-Sing. Email click to contact or phone Minty on 07852 70 6521 for further details. For background information check out www.tunelesschoir.com. We look forwards to seeing you soon ;
