## FREE for Collector 1977 12039 windsurfer Board with 15039 mast. Paddleboard Dutch

South East, West Sussex Location https://www.freeadsz.co.uk/x-466417-z

A 1977 built Windsurfing Board, approx 12 ft long, and 26 inches wide, complete with wooden centre fin, and 15 ft mast with wooden mast step, in good condition. Sail still rolled up so not sure of condition, so assume not perfect. Built in Holland by 'Ten cate Sports', PO box 58 Almero, Holland. Makers name plate included numbers TCW FB77. Make a great paddle!
