I am a mature self employed domestic cleaner. I started my business over five years ago and so I'm a very experienced cleaner, with a good eye for detail. I am reliable, trustworthy and fully insured. I currently have an available slot for a weekly clean, on a Tuesday afternoon. I bring all the cleaning products, including the hoover! and charge just one rate of £12.50 an hour (minimum 2 hour clean) There are no hidden extras. For an informal chat, please give me a call, if i do not answer, I am probably cleaning, so please leave me a message and I will call you back. Alternatively, you can email me at [email]
