Trollbeads Find Your Pet 11443, brilliant detail. From Trollbeads information: This bead left the collection in 2012, designer Jamie North. This bead follows in the legendary Trollbeads tradition of a design with eight faces sharing only four sets of eyes. This menagerie of pets seems to co-exist peacefully – hopefully yours do too. It is from my own collection and in excellent condition, in sterling silver and stamped 925S LAA comes with Trollbeads hard gift box as in photographs, so it will make a brilliant gift for any occasion or just a little treat for yourself. Bracelets & spacer for display only. Local collection. £25 Any questions, do please.
