Absolutely Stunning Trollbeads Winter Jewel, big, 61711 - RRP £84 now retired It is from my own collection and in excellent condition, as new really, super sparkly Swarovski crystals in deep red, teal blue, golden amber. Sterling silver and stamped 925S LAA. Comes with Trollbeads box, as in photographs, so it will make a brilliant gift for any occasion or just a little treat for yourself. Some Trollbeads have larger holes and can fit other bracelets, I have included photos on a European Pandora style bracelet, it just slides on as Trollbeads are not threaded. However, I do not know if it would fit a genuine Pandora bracelet as I do not have one to try. The hole looks to measure slightly larger than 4mm diameter. Bracelets & spacer for display only.

Any questions, do please ask. Local collection only TA4.
