

DISPLAY WINE

Location **London, London**
<https://www.freeadsz.co.uk/x-467036-z>

Display Wine Racks designs and manufactures contemporary stylish wine storage and display options for wine cellars in kitchen , lounges , offices and yes, even basement cellars.

All products are designed with careful consideration of aesthetics and functionality of wine racks and cellar design, and considering optimal storage conditions for wine.

With a range for wall mounted , to free standing, to counter top , to modular wine racks that can be expanded over time.

All products require very little technical knowledge , besides being able to use a drill and we provide easy to follow instructions. VISIT <http://www.displaywine.com/> EMAIL US: CALL US: 0208 088
